

Tomorrow's Scholar 529 Plan 2Q26 Rankings By Savingforcollege.com

... connecting to the future

The Saving For College age-based performance rankings analyze returns of all age-based or year-of-enrollment portfolios offered by 529 plans. The methodology calculates a hypothetical average return for each portfolio across a glidepath from age 0 to 19+, then ranks 529 plans from highest to lowest returns. Different rankings are produced for direct-sold, advisor-sold and RIA plans, and for different return periods (1, 3, 5 and 10-year).
