## FINANCIAL INTERMEDIARY SPECIFIC SALES CHARGE WAIVERS AND RELATED DISCOUNT POLICY INFORMATION

### Intermediary-Defined Sales Charge Waiver Policies

The availability of certain initial or deferred sales charge waivers and discounts may depend on the particular financial intermediary or type of account through which you purchase or hold units in the 529 Plan.

Intermediaries may have different policies and procedures regarding the availability of front-end sales load waivers or contingent deferred (back-end) sales load (“CDSC”) waivers, which are discussed below. In all instances, it is the purchaser’s responsibility to notify the 529 Plan or the purchaser’s financial intermediary at the time of purchase of any relationship or other facts qualifying the purchaser for sales charge waivers or discounts. For waivers and discounts not available through a particular intermediary, account owners will have to purchase units directly from the 529 Plan or through another intermediary to receive these waivers or discounts if applicable.

Accounts maintained through certain firms are not eligible for the sales charge waiver, noted in this Program Description and Participation Agreement, for purchases from the proceeds of a redemption of Class A units of the same Option within 60 days of the date of redemption. Investors wishing to utilize this privilege will need to do so through an account held directly with the Plan or a financial intermediary that supports this feature.

### EDWARD D. JONES & CO., L.P. (“EDWARD JONES”)

#### Policies Regarding Transactions Through Edward Jones

The following information has been furnished by Edward Jones. IAdvisor 529 Plan has not independently verified such information.

Effective September 3, 2024, the following information supersedes prior information with respect to transactions and positions held in the account through an Edward Jones system. Clients of Edward Jones (also referred to as “account owners”) purchasing 529 Plan units on the Edward Jones commission and fee-based platforms are eligible only for the following sales charge discounts (also referred to as “breakpoints”) and waivers, which can differ from discounts and waivers described elsewhere in the 529 Plan Description or through another broker-dealer. In all instances, it is the account owner’s responsibility to inform Edward Jones at the time of purchase of any relationship, holdings of 529 Plans where Voya serves as the primary distributor and Voya funds, or other facts qualifying the purchaser for discounts or waivers. Edward Jones can ask for documentation of such circumstance. Account owners should contact Edward Jones if they have questions regarding their eligibility for these discounts and waivers.

#### Breakpoints

- Breakpoint pricing, otherwise known as volume pricing, will be at dollar thresholds as described in the 529 Plan Description.

#### Rights of Accumulation (ROA)

- The applicable sales charge on a purchase of Class A units is determined by taking into account all classes of the 529 Plans (except certain money market funds and any assets held in group retirement plans) where Voya serves as the primary distributor and Voya funds held by the account owner or in an account grouped by Edward Jones with other accounts for the purpose of providing certain pricing considerations (“pricing groups”). This includes all units held on the Edward Jones platform and/or held on another platform. The inclusion of eligible fund family assets in the ROA calculation is dependent on the account owner notifying Edward Jones of such assets at the time of calculation. Money market funds are included only if such shares were sold with a sales charge at the time of purchase or acquired in exchange for shares purchased with a sales charge.
- The employer maintaining a SEP IRA plan and/or SIMPLE IRA plan may elect to establish or change ROA for the IRA accounts associated with the plan to a plan-level grouping as opposed to including all share classes at an account owner or pricing group level.
- ROA is determined by calculating the higher of cost minus redemptions or market value (current units x NAV).

#### Letter of Intent (“LOI”)

- Through a LOI, account owners can receive the sales charge and breakpoint discounts for purchases account owners intend to make over a 13-month period from the date Edward Jones receives the LOI. The LOI is determined by

calculating the higher of cost or market value of qualifying holdings at LOI initiation in combination with the value that the account owner intends to buy over a 13-month period to calculate the front-end sales charge and any breakpoint discounts. Each purchase the account owner makes during that 13-month period will receive the sales charge and breakpoint discount that applies to the total amount. The inclusion of eligible fund family assets in the LOI calculation is dependent on the account owner notifying Edward Jones of such assets at the time of calculation. Purchases made before the LOI is received by Edward Jones are not adjusted under the LOI and will not reduce the sales charge previously paid. Sales charges will be adjusted if LOI is not met.

- If the employer maintaining a SEP IRA plan and/or SIMPLE IRA plan has elected to establish or change ROA for the IRA accounts associated with the plan to a plan-level grouping, LOIs will also be at the plan level and may only be established by the employer.

### **Sales Charge Waivers**

Sales charges are waived for the following account owners and in the following situations:

- Associates of Edward Jones and its affiliates and other accounts in the same pricing group (as determined by Edward Jones under its policies and procedures) as the associate. This waiver will continue for the remainder of the associate's life if the associate retires from Edward Jones in good-standing and remains in good standing pursuant to Edward Jones' policies and procedures.
- Units purchased in an Edward Jones fee-based program.
- Units purchased through reinvestment of capital gains distributions and dividend reinvestment.
- Units purchased from the proceeds of redeemed units of the same 529 Plan so long as the following conditions are met: 1) the proceeds are from the sale of units within 60 days of the purchase; and 2) the sale and purchase are made in the same Option and the same account or the purchase is made in an individual account[ ("Right of Reinstatements"). The Right of Reinstatements excludes systematic or automatic transactions including, but not limited to, purchases made through payroll deductions].
- Units exchanged into Class A units from another class so long as the exchange is into the same Option and was initiated at the discretion of Edward Jones. Edward Jones is responsible for any remaining CDSC due to the 529 Plan, if applicable. Any future purchases are subject to the applicable sales charge as disclosed in the Program Description.
- Exchanges from Class C units to Class A units of the same 529 Plan, generally, in the 84th month following the anniversary of the purchase date or earlier at the discretion of Edward Jones.
- Purchases of Class A units through a rollover from either another education savings plan or a security used for qualified distributions.
- Purchases of Class 529 units made for recontribution of refunded amounts.

### **Contingent Deferred Sales Charge (CDSC) Waivers**

- The death or disability of the account owner or beneficiary.
- Systematic withdrawals with up to 10% per year of the account value.
- Return of excess contributions from an Individual Retirement Account (IRA).
- Units redeemed as part of a required minimum distribution for IRA and retirement accounts if the redemption is taken in or after the year the account owner reaches qualified age based on applicable IRS regulations.

### **MERRILL LYNCH, PIERCE, FENNER & SMITH INCORPORATED ("MERRILL")**

The following information has been furnished by Merrill. Neither Voya Investments Distributor, LLC nor IAdvisor 529 Plan has independently verified such information.

If you establish or hold your IAdvisor 529 Plan (Plan) account on the Merrill omnibus platform, the features and policies related to unit class sales charges (including contingent deferred sales charges (CDSC), if any), unit class sales charge waivers or discounts, letters of intent (LOI) and reinstatement privileges, and Class C unit conversion period will be different than referenced in this 529 Plan Description and will be governed by the Merrill 529 Account Unit Class Disclosure and Terms and Conditions (T&Cs) provided to you by Merrill prior to establishing your account.

Except as described in this Merrill specific section of this Plan Program Description and the T&Cs, Merrill does not offer any initial sales charge discounts, CDSC waivers, LOI or reinstatement privileges (the “Discounts, Waivers, and Privileges”) in the 529 plans offered on the Merrill omnibus platform. To receive the Discounts, Waivers, and Privileges not offered by Merrill, you will have to invest in the Plan directly or through another intermediary.

Before investing in the Plan through Merrill, you should consider the potential benefits and importance to you of such Discounts, Waivers and Privileges.

For additional information on the Discounts, Waivers, and Privileges and Merrill’s policies, contact a Merrill advisor or refer to the T&C.

If you establish or hold your Plan account on the Merrill omnibus platform, then the unit class your account will purchase will generally be based on your eligible assets or meeting other eligibility criteria as set forth in the T&Cs. 529 plans offered by Merrill on its omnibus platform typically will have two unit classes – Class A Unit and Class C Unit (or their equivalents) – each with its own fee and expense structure. Each account will purchase a specific unit class when an initial or subsequent contribution is credited to the account. The unit class will be automatically determined at the time of the contribution based on the participant’s eligible assets and/or meeting other eligibility criteria. You will not be able to select the unit class. Among other things, Class C units (or their equivalents) will be automatically converted to Class A units (not subject to an initial sales charge) after four years from their respective dates of purchase. If the Program Description permits Class C units’ (or their equivalents’) conversion sooner than four years, such earlier conversion date will automatically apply.

**Age-Based Option reinvestments for account owners purchasing units through a Merrill platform or account**

For account owners investing in Age-Based Options through the Merrill platform, the automatic reinvestments which occur as the Beneficiary ages to the next age band, will occur, when applicable, on the day following the day of the Beneficiary’s birth date.

Please contact your Merrill advisor with any questions or to request a copy of the T&Cs.
